Finding New Love After 70

Love knows no age limit, and finding new love after 70 can be a joyful and fulfilling experience. Many people in their seventies and beyond discover that this stage of life brings greater wisdom, confidence, and clarity about what matters in a relationship. With more free time and fewer obligations, older adults can focus on building meaningful connections and enjoying companionship.

Such is the case of **Sumner Greenberg** and **Rochelle Potash**, two of Anshei Shalom's regular Friday night worshippers.

Through social media, Sumner's and Rochelle's meeting was made easier than ever. On October 29, 2017, each submitted a profile to Match.com and BINGO! Modern technology brought them together. Sumner was looking for a short woman; Rochelle wanted a kind man to fit into social life in her community; both desired a companion to attend Friday night Kabbalat Shabbat Services. Truly, a match was made in heaven. After one text conversation, they met in the Oriole Plaza parking lot, went to breakfast, and the rest is history.

Their families gave support and encouragement. Sumner's two sons are bachelors, so he gets to share in the four grandchildren provided by Rochelle's two daughters. Both had lost loving spouses but connected immediately through common interests. Together, through their newfound relationship they began to enjoy fishing, boating and travelling. In the years that followed, Sumner and Rochelle visited seventeen countries on four continents, made a 47-day road trip through the USA and cruised extensively. When they are home in Delray Beach, they never miss Friday night Kabbalat Shabbat Services at Anshei Shalom.

Not surprisingly, this lovely couple even found the time to "tie the knot" by (finally) getting married this past week on June 29th, using the number "29" which was their first meeting date.

Rochelle and Sumner Greenberg's story is a testament to finding new love after 70 by embracing change, staying engaged, and allowing yourself to experience joy and affection. It's never too late to form deep bonds and enrich your life with companionship, laughter, and affection.

Mazel Tov

It was an honor to have our wedding ceremony officiated by Rabbi Adler at Temple Anshei Shalom, accompanied by Cantor Cohen.

The Ceremony was made very personal by Rabbi Adler by his knowledge of us. He knew how to make us feel special. The ceremony was attended by many friends and Temple Anshei Shalom members whom we have gotten to know through the years.

A special thanks to Linda Abramowitz and Fran Speiser for decorating the beautiful chupah and seeing that everything ran smoothly.

Also to Melissa, Temple Administrator for sending out the special streaming link to our family and friends who could not attend in person.

It was a very special day for us and all who attended.

Rochelle and Sumner

Message From TAS President Fran Speiser

Dear Temple Family & Friends,

Our recent Shabbat Dinner was truly a tremendous success and an evening to remember. It was especially heartwarming to see so many guests in attendance, including many who had expressed concerns about the change of our Friday evening service time from 7:30 PM to 5:00 PM. The evening beautifully demonstrated what we have been striving to create—a warm and welcoming Shabbat experience centered around prayer, friendship, and sharing a meal completely prepared by volunteers coming together for this very special Shabbat.

Since moving to the earlier service time, we have been pleased to see that most of those who regularly attended the later service have continued to join us. The experience has been uplifting and meaningful. Rather than being scattered throughout the main sanctuary, we are gathered closer together, creating a more intimate and united atmosphere. We greet one another with heartfelt "Shabbat Shalom" wishes, hear each other's voices as we welcome the Shabbat Bride, and join together in prayer and song in a way that strengthens our sense of community.

The spirit and energy in our Friday evening services have been truly inspiring. For those who have not yet experienced the earlier service, I encourage you to come and see for yourself the warmth, connection, and joy that have become part of our Shabbat services.

I would also like to take this time to thank every one of you who livestream for your patience and understanding as we iron out the issues we have experienced with our sound system, and please know that we are working on it in order to come through loud and clear without interruptions.

Wishing everyone a safe and happy summer.

Fran Speiser,
President

You can lead by example.
Create your Jewish Legacy by leaving a gift to Temple Anshei Shalom in your estate planning.

We invite you to include TAS in your Will as a beautiful way to demonstrate your dedication and connection to our community, and to our future.

Legacy donors are kind and caring individuals like you who are making a promise to future generations for a thriving and sustainable Jewish community.

It costs nothing during your lifetime, but it will have a powerful impact on the community for years to come.

SPONSOR A MINYAN BREAKFAST, OR SHABBAT KIDDUSH!

Sponsoring a *breakfast*, or *kiddush* is a beautiful way to pay a memorial tribute to a loved one, celebrate a birthday, anniversary, graduation, personal accomplishment, or a ritual honor.

It is also a wonderful way to foster community—facilitating fellow congregants to catch up with friends and meet new members and guests.

Contact Melissa at the synagogue office to discuss sponsorship
